Our Mission: Pleasant View supports individuals who have disabilities in living out their goals for meaningful work, relationships, and spiritual development.

In living out our mission, Pleasant View began supporting the formation of the Shenandoah Valley Faith and Light Communities in September 2000. *Each community "is made up of persons with an intellectual disability, their families and friends, particularly young friends, who meet together on a regular basis in a Christian spirit, to share friendship, pray together, fiesta and celebrate life."* [faithandlight.org](http://faithandlight.org)

At each faith and light service, attendees are invited to share their joys and concerns. After each **joy** we all say and sign, "Lord, hear our **praise.**"

After each **concern**, we all say and sign, "Lord, hear our **prayers.**"

We invite you to try this one Sunday and lift up each other's joys and concerns in a new way.
